

SUPPORT OUR SQUAD

Fund 2009/2010

An opportunity to directly support the development of the Montrose Football Club first team playing squad 2009/2010

Dear Fellow Supporter,

SUPPORT OUR SQUAD FUND 2009/2010

We are all aware of the difficulties that Montrose Football Club manager Steven Tweed currently has in developing a squad capable of competing in Division Three.

The S.O.S. Fund is designed to allow supporters to **make a direct contribution to support the first team squad and allow the manager to strengthen as required.**

Supporters are asked to donate £20.00 per month; (October – June inc) which will go directly to support the costs of running and improving the first team.

Participating fans will receive the equivalent contribution in shares at the end of the period and this initiative has the backing of the Montrose F.C. directors, The Gable Endies Supporters Trust and the Montrose Football Club Supporters' Club.

Even 50 supporters contributing would provide an extra £1000 per month!

Please support this scheme for the next eight months by completing the enclosed form below and return it to **SOS Fund, Montrose Football Club, Links Park Stadium, Wellington Street, Montrose, Angus DD10 8QD**

.....
Please note that I have signed up to the `S.O.S.` Fund from October 2009 to June 2010.
